Ways in Which You May Assist

This is the 5th season for the operation of this Christian testimony in Cape May. What you see here in the Christian Admiral, Congress Hall, Morning and Evening Star Villas, Windsor Hotel and this complex of operation has been raised up in a free society by Christian people. This operation is nonprofit, Christian, and patriotic. Its doors are open to all who seek a blessing from the Lord and who desire rest, recreation, and the knowledge of the Word of God. All who come here are invited to participate in its growth, expansion, and greater facilities of usefulness.

1. STATE ROOMS, SPECIAL ROOMS on the 3rd and 5th floors have been set aside for the 50 states of the Union and the Provinces of Canada. The Pennsylvania Room, the Virginia Suite, the Ohio room and the like. Ask about it and then help make that room representative. This Conference has always stood for states' rights.

2. MEMORIAL ROOMS. Rooms throughout the building have been set aside as special memorial rooms. These are furnished and reflect a testimony of some loved one or leader such as Dr. T. T. Shielas, Dr. Harvey Springer, General Douglas MacArthur, and Mabel Rivers. Then there are rooms for a husband, a wife, or a son who has given his life for the country. A memorial room may be reserved for \$1,000. Those interested should contact Mrs. Carl McIntire at their earliest convenience to be shown the room for consideration.

3. PICTURES. All the pictures in this Conference are gifts. These have come from many sources and some are very

valuable. We desire to make an attractive gallery of all the corridors. Those who have pictures to give may know that they will be most gratefully received and properly labelled.

4. EXHIBITS. Exhibits of various kinds are being created and are welcomed. The Houston Shell Exhibit on the lower lobby is a rare and priceless legacy. It was left to the Conference in a will. Anyone with collections they would like to have preserved and used for educational purposes may present them to the Conference.

5. ANTIQUES. The Conference is making a collection of antiques. Recently an 18th Century Italian Renaissance credenza was presented. It will be kept on exhibit during this season. Anything that God's people have which could be used here including books and libraries will be gratefully received.

6. GIFT SHOPS. Gifts shops are at hand in the Congress Hall and the Christian Admiral filled with items that make attractive Christmas gifts, wedding gifts, etc. Most of the items in these shops have been personally chosen by the Auxiliary of the Conference.

Finally, suggestions for ways in which the Conference can be more useful and of greater service will be truly appreciated. They should be directed to Dr. Carl McIntire personally or by mail. This Conference belongs to all the people of God and the patriots who love their land.
